

REMARKS

1. Examiner restricted the present application into two groups.
2. As indicated above, the Applicant has elected to prosecute Group II, drawn to a method for performing conflict resolution.
3. Applicant has made changes to the specification to correct typographical errors and clarify the specification. No new matter has been added.

CONCLUSION

For all the reasons above, Applicant submits that the claims all define novel subject matter that is nonobvious. Therefore, allowance of these claims is submitted to be proper and is respectfully requested.

Very respectfully submitted,
